You can learn to inspire

Artists take inspiration from all sorts of things for their artworks.
Charley was inspired by what she saw on her travels, by nature and
by other artists, such as Piet Mondriaan and Pablo Picasso.
But most of all by one artist...

DID YOU KNOW

Charley and Piet
Mondriaan were
friends? He even
found an apartment
for her in Paris!

Can you
find out
who that
was?

One of his artworks is on
display here in the room!

☐ **Yes!**

I found the artwork! This is the title
of the work:

LET'S THINK

Who or what is an inspiration to you?
And... Have you ever been an inspiration
to someone else?
